WHAT FAMILIES & COACHES SAY

Feedback from NCAA Head Coaches, players, parents and Athletic Directors.

“As a parent, I was impressed with how organized and safe everything felt.”

Communication before and during the trip was clear, and the IGS staff treated our kids like their own. It was a once-in-a-lifetime experience for our family.

Martin K
Parent

“Our players came back more confident, more mature, and with a completely different understanding of what high-level soccer looks like.”

The best part for our staff was that IGS handled all the logistics, so we could focus on coaching and building relationships with our players and families.

Brian Diaz
Head Women's Coach
St. Francis University

“Wonderful Trip, Great Team Bonding!”

The infinity global team is amazing! So helpful and worked tirelessly to make our experience amazing. Highly Recommend!

Benton Frayne
Head Women's Coach
Gustavus Adolphus College

“Training and playing in South America changed the way I see the game.”

The intensity was higher, the stadiums and murals were unreal, and I loved how everyone in the city talks about soccer all the time.
